November brings us our Remembrance Day Assembly on Thursday, November 9th @ 10:45 a.m. as well as our Fall Break, November 10-17th. We are also busy preparing for Report Cards, which will be available digitally on Friday, November 24th. Parent/Teacher Interviews will be held on Wednesday, November 29th and Thursday, November 30th. Book Fair will be November 27th-November 30th.

Enjoy a wonderful Fall Break. See you back at school November 20th.

Donations will be taken in the office all month, as well as during the Book Fair. Or you can donate to the Wes Hosford team online at: <https://moteam.co/wes-hosford>

The Movember Foundation was founded in 2003 to raise awareness of cancer – specifically of the prostate – and “change the face of men’s health”. Since then it has raised over \$174-million world-wide... one moustache at a time.

No Child Without: Free MedicAlert for Students

In our ongoing effort to provide safe and caring schools for our students, **Wes Hosford School** is once again participating in the Canadian MedicAlert Foundation's No Child Without program. The program is a national initiative that provides no-cost MedicAlert services to children—between the ages four and 14—who have chronic health conditions. The goal is twofold: to help children with severe allergies, medical conditions or special needs and to assist schools with medical-emergency plans for students.

Once a child is registered, their school is provided with advice on a medical-emergency plan for that student and given a list of medications, allergies and medical conditions the student has. If your child has a serious medical condition or allergy and could benefit from MedicAlert services, contact the school office at **780-464-1711**. To learn more about the No Child Without program, visit www.nochildwithout.ca.

Inclement Weather

With the winter season already here, we want to remind parents to dress children appropriately for the weather when getting ready for school or the bus. The weather often changes unexpectedly throughout the day, so please select suitable outerwear and ensure your child is prepared for changing conditions.

If inclement weather conditions occur, Elk Island Public Schools (EIPS) advises parents of any bus cancellations using various communications tools—automated-telephone messages, alerts posted on www.eips.ca and school websites, Twitter, Facebook, local radio stations and on Versatrans My Stop. Any morning bus cancellations are posted on www.eips.ca by 6:30 a.m.

Decisions regarding bus cancellations are guided by EIPS administrative procedures that states, "school bus service may be suspended...when Environment Canada reports a temperature of -40 C." Other reasons for suspending or delaying school bus services include adverse weather and poor road condition.

When school bus services are suspended, schools remain open to students. EIPS believes parents have the right and responsibility to make choices for their children based on their beliefs and perceptions of safety during times of inclement weather. For more information, contact EIPS Student Transportation at 780-417-8151

Help! *We are in need of several parent volunteers who are able to transport and set up risers from Wes Hosford School to Salisbury High School at approximately 2:30 p.m. on December 13. Please contact the office if you are able to assist with this. Four front row reserved tickets will be given to each of the volunteers!!*
