Happy New Year

Welcome back everyone, and Happy New Year!

Our Wes Hosford School staff hopes that your Christmas break provided many opportunities to connect with family and friends during the holidays. Hopefully you were able to enjoy some fun activities over the past few weeks. We would once again like to thank all of our parents for your fabulous support of our school over the holiday season. Thanks for your help with classroom projects, class parties and your support and attendance at our Christmas Concert.

This second term of school is very productive with everyone quickly settling in their routines. New beginnings bring with them a renewed energy and enthusiasm for learning.

Warm Regards,

Help Take the "Brr" out of February!

On February 2, students are encouraged to wear their favorite mitts, toques and scarves indoors for the day and bring **NEW** mitts, toques or scarves to donate to "Hearts 4 the Home-less", a local organization that supplies the basic necessities for homeless men, women and youth.

We will be collecting NEW mitts, toques and scarves during the week of January 29 – February 2.

Kindergarten Registration Starts Soon!

Is your child turning five on or before Dec. 31, 2018? If so, it's time to register for kindergarten. Kindergarten registration opens for the 2018-19 school year on Jan. 15, 2018 at 6:00 p.m. **To register, simply complete the online registration form at www.eips.ca/kindergarten.**

KINDERGARTEN REGISTRATION CHECK LIST:

- Determine your child's designated school
- Scan and upload all required documents: proof of name, residence, date of birth and citizenship.
- Additional documents to scan, if applicable include: Guardian Letter and Parental Custody Agreement if restrictions on access.
- Once the online registration is complete and submitted, a confirmation notice is sent to the given email address.

NOTE: The online registration form is available as of Jan.15, 2018—the paper version no longer exists.

To help families prepare, Elk Island Public Schools has put together an online toolkit to make the transition as smooth as possible. The kit includes information on registration, important dates, programming options, what to expect, eligibility, how to find your designated school, transportation and more. Find it by visiting <http://www.eips.ca/programs-services/kindergarten>.

Additional information regarding kindergarten can be found on our school website at [www. Weshosford.ca](http://www.Weshosford.ca).

Request to Attend a Non-Designated School

Effective for the 2018-19 school year, Elk Island Public Schools (EIPS) is changing the way in which students apply to attend a non-designated school. **From March 1 to 15, 2018, parents of all EIPS students are being asked to pre-enroll their children online and indicate whether their child will be attending their designated school or if they wish to register at a different school.**

Acceptance at a non-designated school is based on available space—families will be advised of the outcome by April 13, 2018. Because of high enrolment numbers, some schools won't be accepting any non-designated students. Schools with closed boundaries will be identified prior to the pre-enrolment process.

Please note that should you request a non-designated school for your child and need busing, there are fees associated with this choice. Visit [Transportation Services](#) for more information.

As part of the pre-enrolment process, parents are also asked to check and update phone numbers, email addresses, mailing address and other important data – doing so will both make sure that the Division has the most current information available and eliminate the need to fill in the paper Correction Form that has traditionally been sent home every fall. Better yet, families will be able to go online and update their child's data throughout the year as circumstances change.

To determine your child's designated school, please check [EIPS school boundary maps](#).

Inclement Weather

With the winter season well underway, we want to remind parents to dress children appropriately for the weather when getting ready for school or the bus. The weather often changes unexpectedly throughout the day, so please select suitable outerwear and ensure your child is prepared for changing conditions.

If inclement weather conditions occur, Elk Island Public Schools (EIPS) will advise parents of any bus cancellations using various communications tools including: automated-telephone messages, alerts posted on www.eips.ca and school websites, Twitter, Facebook, local radio stations, and on Versatrans My Stop.

Decisions regarding bus cancellations are guided by EIPS administrative procedures that states: "school bus service may be suspended when...Environment Canada reports a temperature of -40 C." Other reasons for suspending or delaying school bus services include adverse weather and poor road condition.

When school bus services are suspended, schools will remain open to students. EIPS believes parents have the right and responsibility to make choices for their children based on their beliefs and perceptions of safety during times of inclement weather.

For more information, contact EIPS Student Transportation at 780-417-8151.

Accountability Pillar Survey 2018

As an annual check-up on the education system, the Accountability Pillar provides an opportunity for Alberta Education and school authorities to ensure that we are equipping students for success.

From January to the end of February, Alberta Education will be conducting the annual Accountability Pillar Survey. In January, parents of students in grades 4, 7 and 10 will receive a survey from Alberta Education. In February, students in grades 4, 7 and 10 and all teachers will be completing their surveys online at school.

All surveys are anonymous and ask questions about experiences with your school. Your participation in the survey helps provide important information on the quality of education your child is receiving, so we encourage you to return your survey promptly. As part of our Wes Hosford School Education Plan, we are working on improving the number of parents actively engaged in communication with the school. One of our goals is to increase the number of Accountability Pillar Surveys returned this year. We appreciate your help with achieving this goal! Check your mailbox!
