

Wes Hosford School Council Newsletter

September

What is School Council?

- Reflects the culture of the school
- Represents the parent voice in the school community
- Plans engagement activities to develop a sense of community
- Provides a forum for parents to participate in the school discussion making process.
- Facilitates discussion on topics such as policies, school education plan, school budget, assurance framework, etc.

School Council Purpose

“ to facilitate the well-being and academic growth of all students through the undertaking of discussion and activities that will foster engagement, collaboration and enhance the effectiveness of our school community. ”

Ways to Get Involved!

- Join our Facebook Group by clicking [HERE](#).
- Attend School Council Meetings
- Respond to Surveys

A Few Words...

Welcome back Wes Hosford Family!

I am so excited to be your School Council Chair again this year. It is an honour to represent this school community and work along side a group of amazing parents, staff and students.

I'm committed to collaborating with you all as we work towards a year of success and positive impact.

Here's to a fantastic year ahead!

Tawnia McQueen
School Council Chair
