Parent/Teacher Interviews

In February, another article will be sent to you with instructions on how to sign up, but we wanted to remind you that K-6 Parent /Teacher Interviews will be held on February 4th and 5th from 4:00-7:00. **Beginning on January 27**, parents will be able to book an interview time with their child's teacher. If you do not have access to a computer or want to book an appointment with the Principal, Assistant Principal or Counselor, please contact the office and we will be happy to schedule an appointment for you. Report Cards will be available March 14th. Also, see Bottle Drive info, below!

Bottle Drive!

Holiday cans and bottles taking up space in your garage? No worries! **During Parent Teacher interview night on February 4 & 5**, we will again be having a **Bottle Drive!** A truck or trailer will be located by the west facing doors in the school parking lot. Last time, we collected 20 bags...let's see if we can get to 40 bags for this event! As an added bonus, everyone who brings in a bag of recycling will be entered to win a \$20 Book Fair shopping spree on February 10!

Did you know?

If your child misses just two days a month for any reason for ten of their school years, they'll have missed the equivalent of one entire year of school. Students who frequently miss school, even as early as kindergarten, are also more likely to have difficulty in school, at post-secondary and in their career. As every family has unique circumstances, EIPS uses a multi-tiered approach to re-engage students with chronic absenteeism. In addition, the Division promotes strategies to support and encourage regular attendance for all students. If you're concerned about consistent student attendance for your child or youth, contact the school for support. An informative [video](#) is also available.

Returning Student Registration for 2025-26

The Elk Island Public Schools (EIPS) [returning student registration](#) process for 2025-26 takes place Feb. 10-24, 2025. Through the online form, all families will confirm the school and program their child will attend next year or advise the Division if they aren't returning. For students who want to attend a non-designated school next year, these requests must be submitted through the returning student registration process—acceptance is based on available space.

On February 10, the parent/guardian on file in PowerSchool identified as the Permission Click contact for each pre-kindergarten to Grade 11 student will receive an email through Permission Click with a link to the form. If your family hasn't received any Permission Click forms this school year, contact the school office so we can investigate any technical issues before registration season.
